

Octavia E. Butler Literary Society
American Literature Association Annual Conference
San Francisco
May 2018

The OEB Literary Society invites prospective participants to submit proposals relating to any aspect of Butler's life and work. We especially encourage papers/panels addressing Butler's influence in the work of contemporary artists across genres, and would like to devote one of the panels to this topic. Please email abstracts of 300 words to Matthew Mullins at oebliterarysociety@gmail.com Abstracts are due no later than January 15, 2018 and should include a brief biographical note.
