

The MHS will offer more than 20 short-term research fellowships in 2018. Each grant will provide a stipend of \$2,000 for four weeks of research at the Society sometime between 1 July 2018, and 30 June 2019. Short-term awards are open to independent scholars, advanced graduate students, and holders of the Ph.D. or the equivalent, with candidates who live 50 or more miles from Boston receiving preference.
