

International Conference on Language and Literature Studies (ICLLS 2016)

On
02nd

“Creative Communication in a Global Context”

December 2016 @ Galle Face Hotel, Colombo, Sri Lanka.

Call for Papers

ICLLS 2016 is a forum for presentations and discussion of recent on-going researches and innovations in the field of language and literature, with leaders from academia and industry worldwide. Time for building important connections while enjoying relaxed conference breaks, lunch and dinner. This would be a great platform for academics, researchers, industry professionals, writers, poets and those who interested in this topic to share knowledge and their achievements. Abstract submissions are now open for both oral and poster presentation of all the scholars around world wide.
