

Octavia E. Butler Literary Society  
American Literature Association Annual Conference  
Boston  
May 2019

The OEB Literary Society invites prospective participants to submit proposals relating to any aspect of Butler's life and work. We especially encourage papers/panels addressing Butler's short story collection, *Bloodchild and Other Stories*, and would like to devote at least one of the panels to this topic. We are open to the submission of both full panels and individual papers. Please email full panel proposals and/or individual abstracts of 300 words to Matthew Mullins at [oebliterarysociety@gmail.com](mailto:oebliterarysociety@gmail.com) Abstracts are due no later than January 15, 2019 and should include a brief biographical note.
