

The Flannery O'Connor Society is soliciting proposals for conference papers for the 2019 ALA conference in Boston. The American Literature Association's 30th annual conference will meet at the Westin Copley Place in Boston on May 23-26, 2019 (Thursday through Sunday of Memorial Day weekend). We welcome proposals on any particular aspect of O'Connor studies, including (but certainly not limited to) disability studies, tourism studies (looking at the renewal of Andalusia and O'Connor's childhood home), feminist studies, performance studies, childhood studies, or archival studies. Please send a 200-300 word abstract by January 1 to Dr. Monica Miller at Monica.Miller@mga.edu; you may direct any questions to her, as well.
