The Thornton Wilder Society welcomes papers on any aspect of the author's career for the annual American Literature Association (ALA) conference in Boston on July 7-11, 2021, Westin Copley Place, 10 Huntington Avenue Boston, MA 02116. We especially welcome papers on gender in any of the plays or novels, or racial identity as they relate to such Wilder works as the plays "Pullman Car Hiawatha" and *The Skin of Our Teeth*, or the novel *The Eighth Day*. People interested in presenting papers in a session on Thornton Wilder should email proposals to Park Bucker (psbucke@uscsumter.edu) by February 1, 2021.
