

## Call for Papers: Charlotte Perkins Gilman Society Panels at ALA 2022

The Charlotte Perkins Gilman Society will sponsor two sessions at the American Literature Association Conference at the Palmer House Hilton in Chicago on May 26-29, 2022.

All topics are welcome. Examples include:

- Methodological, theoretical, and pedagogical approaches to digitizing Gilman scholarship
- Theoretical approaches to Gilman, such as queer theory, critical race studies, genre studies, alternative visions of motherhood, feminism in the socialist movement, visual art in women's writing
- Archival research related to Gilman and her contemporaries
- Themes of embodiment and corporeality in Gilman's writings, as well as scientific, medical and popular treatments of the body in late nineteenth and early twentieth century culture
