

## Ernest Hemingway: 1926

The Ernest Hemingway Society is sponsoring a panel at the upcoming American Literature Association Conference in Chicago, IL (May 20–23, 2026).

Given the centenary of the publication of both *The Torrents of Spring* and *The Sun Also Rises* (1926), we encourage papers focused on the early part of Hemingway's life and career.

Please send a 250-word proposal and short CV to Dr. Ross K. Tangedal (University of Wisconsin–Stevens Point) at [rtangeda@uwsp.edu](mailto:rtangeda@uwsp.edu) by **January 10, 2026**, for full consideration. Your submission will be confirmed via email.
